

## **I Am Thinking About Running for the Board. What exactly do the directors do?**

Please see the [Board of Directors Job Description](#)

1. Refine the long-term visioning for our association
2. Monitor the association's performance in achieving our strategic goals
3. Monitor AEE's financial performance
4. Monitor the performance of AEE's CEO
5. Develop annual agendas that are strategic and support the achievement of AEE's Ends
6. Speak with one voice
7. Attend three board meetings per year (Annual Conference, January and May Meetings)
8. Participate in the monthly monitoring of CEO reports
9. Participate in monthly conference calls

Who should consider running for the Board of Directors?

1. People who are committed to furthering experiential education

2. People who are passionate about sharing that commitment with others
3. People who have the time to commit to monthly monitoring, conference calls, and in-person meetings three times per year
4. People who have leadership experience

How do I go about running for the Board of Directors?

1. Speak with a current board member about your interest
2. Submit a statement of interest for the general election that occurs each May
