## Add Rotating Banners

Use banners for advertising or to focus attention.

- Add a hyperlink to your banners.
- Up to 6 banners  
1380px W x 285px H

Insert Image

## About Your Company

If you like the format of this section, click "Edit" and change the image or add a video and description of your company in this text area.

To change out the image, click it, and then click the image icon up top to add a different graphics file. To add a video, delete the image by clicking on it (trashcan), and then select the blue "+" inside of the grid, and then "Embed". Add the embed code for your video so that it will play on this page.
