Your Professional Home

AEE Empowers Members Through:

Community

Our Members represent a broad spectrum of professional fields that utilize experiential education methodologies and practices. Join us and you can:

- Connect directly with Members from around the world through the Networking Hub & Exclusive Events
- Make long-lasting friendships and increase your professional network
- Volunteer in a Professional or Regional Group

Resources

Members have access to abundant resources including:

- The Journal of Experiential Education (JEE)
- AEE Publications
- Exclusive discounts on courses, events, & products from Industry partners
- Job Postings & Career Services

Professional Development

We host a variety of events for present and future experiential educators and practitioners, including:

- Live & recorded Webinars
- Exclusive Member events
- International & Regional Conferences
- Networking Events & Informal Playspaces

“AEE has most impacted me by showing me that I am not alone in the work that I do; by inspiring me, showing me the world of possibility that exists in the field of experiential education.”

-Mary, AEE Member since 2014
